

Be A Viking

We hang our hats on cliches like "Once a Viking, always a Viking" and "Viking Pride," but what do those mean exactly? It is difficult to attain **UNITY** throughout this place so many of us call home if we are unsure what being a **Viking** truly represents. So what does "**FHS Unites**" mean to you? What is your vision? What can we be? This is **YOUR** school, and you have the opportunity to take ownership over your high school experience by not only how you conduct yourself, but by encouraging others to follow your lead as well.

3 Words Challenge

If given an endless amount of time, and unlimited space to demonstrate what it means for **FHS** to unite, anyone could share their thoughts...but can you create a video in a limited amount of time that contains **ONLY 3 words**??? Not only that, but can you make one that is better than any other student(s), teacher(s), team, or club?
